Oh-a-oh

Hey girl

Remind me why we ain't together  
 We got that magnetic connection  
 Moving so fast let's take it slow  
 Ain't gonna let you let me go  
 The picture that you're paintin'  
 got me all anticipating  
 GO!

Nothing can steal your thunder  
 Sky-high while you pull me under  
 'Cause you got what I want, what I want  
 What I want want want want  
 Yeah baby let me show ya (show ya)  
 You got me trippin' over (over)  
 'Cause you got what I want, what I want  
 What I want want want  
 I want your love  
 I want your love  
 I want your love  
 I want your love

Hey girl  
 Even if there's stormy weather  
 You got my heart beat-beating faster  
 And I'm not gonna let you down  
 No ya feet ain't gonna touch the ground (ground)  
 No-oh, the picture that you're paintin' got me  
 All anticipating  
 GO!

Nothing can steal your thunder  
 Sky-high while you pull me under  
 'Cause you got what I want, what I want  
 What I want want want want  
 Yeah baby let me show ya (show ya)  
 You got me trippin' over (over)  
 'Cause you got what I want, what I want

What I want want want

I want your love  
 I want your love  
 I want your love  
 I want your love

Oh yeah  
 (Oh, oh, oh, oh)  
 The picture that you're painting  
 Got me anticipating  
 Go! Oh, oh

Nothing can steal your thunder  
 Sky-high while you pull me under  
 'Cause you got what I want, what I want  
 What I want want want want (I want your love)

ARMENIA

**Artist:** Genealogy    **Song:** *Face The Shadow*

We find so many ways fooling our heart  
Playing too many games trying to hide  
When you follow a dream,  
Surrender the sorrow inside  
Face every shadow you denied

Feels like so many times life was unfair  
Will you run and forget all the despair?  
If it's breaking you down,  
Remember the power inside  
Face every shadow you denied

Time is ticking and you keep thinking that you are  
Tricking your heart, so

Don't deny  
Ever don't deny  
Baby don't deny  
You and I

Cross the ocean of blues, happy you'll be  
Once you've risen you are meant to be free  
When you're feeling afraid  
Remember there's hope inside  
Face every shadow purified

Time is ticking and you keep  
thinking that you are tricking your heart, so

Don't deny  
Ever don't deny  
Listen don't deny (I don't want to deny)  
You and I

Don't deny  
Ever don't deny  
Listen don't deny  
Don't deny you and I

BELGIUM

Artist: Loïc Nottet    Song: *Rhythm Inside*

Listen to the sound of thunder  
Rolling in the soul down under  
Far beneath the skin, it rumbles  
Step to the step of the drum that rolls inside  
Be you enemy or lover  
We are put here to discover  
The heart that beats within each other  
We gonna rappabab, rappabab  
We gonna rappabab tonight  
  
And if we die, tomorrow  
What'll we have to show  
For the wicked ways  
Down below  
The rhythm inside is telling us  
We can fly tomorrow  
On the beautiful wind that blows  
On a cosmic track, love attack  
I'm gonna get that rhythm back  
  
Be you enemy or brother  
We were put here to discover  
The heart that beats within each other  
We gonna rappabab, rappabab  
We gonna rappabab tonight  
  
And if we die, tomorrow  
What'll we have to show  
For the wicked ways  
Down below  
The rhythm inside is telling us  
We can fly tomorrow  
On the beautiful wind that blows  
On a cosmic track, love attack  
I'm gonna get that rhythm back

THE NETHERLANDS

**Artist:** Trijntje Oosterhuis    **Song:** *Walk Along*

I open up my heart to you,  
And cry for your attention,  
Still you haven't seen it yet  
You only see me as a friend  
But I wish you were waiting  
With roses in sunset, yeah

Why, why-aiaiai, why-aiaiai  
Won't you walk along, walk along, baby  
Why, why-aiaiai, why-aiaiai  
Won't you walk along, walk along, baby

I gently smile passing your way  
It's not that I don't try enough  
But you don't even notice me here  
In another time and place, another lifetime maybe  
If only for a little while, oh oh

Why, why-aiaiai, why-aiaiai  
Won't you walk along, walk along, baby  
Why, why-aiaiai, why-aiaiai  
Won't you walk along, walk along, baby

I don't seem to get you  
To look at me one time  
Won't you walk along, walk along baby  
This is not a little crush  
Don't wanna wait in line  
Won't you walk along, walk along baby

Whoo-oo-oo, whoe-oe-oe, I love you, I love you ba-  
babe  
Whoo-oo-o, who-oo-oo  
If only for a little while, uh-oh

Why, why-aiaiai, why-aiaiai  
Won't you walk along, walk along, baby  
Why, why-aiaiai, why-aiaiai  
Won't you walk along, walk along, baby  
Why, why-aiaiai, why-aiaiai  
I love you, I love you ba-baby  
Why, why-aiaiai, why-aiaiai  
Won't you walk along, walk along, baby

Artist: Pertti Kurikan Nimipäivät

Song: *Aina Mun Pitää / I'M DO IT*

## Lyrics

Aina mun pitää siivota  
Aina mun pitää tiskata  
Aina mun pitää käydä lääkärissä  
Aina mun pitää käydä töissä

En saa mennä koneelle  
En katsoo telkkarii  
En saa edes nähdä  
mun kavereita

Aina mun pitää olla kotona  
Aina mun pitää tehdä asioita  
Aina mun pitää syödä kunnolla  
Aina mun pitää juoda kunnolla

En saa syödä karkkia  
En juoda limua  
En saa edes juoda  
alkoholia

Aina mun pitää levätä  
Aina mun pitää nukkua  
Aina mun pitää herätä  
Aina mun pitää käydä suihkussa

## Lyrics (translated to English)

I always have to clean up  
I always have to wash up  
I always have to see the doc  
I always have to go to work

Can't go to my PC  
Can't watch my TV  
Can't even see my mates

I always have to stay at home  
I always have to do things  
I always have to eat properly  
I always have to drink properly

So no candy for me  
No soft drinks for me  
Not even alcohol

I always have to rest  
I always have to sleep  
I always have to wake up  
I always have to take a shower

GREECE

Artist: Maria-Eleni Kyriakou      Song: *One Last Breath*

My soul, I guess I'm just no one  
You killed me and I am done, without a gun my  
Light will fade, I feel betrayed  
Just can't be brave, without faith  
How could you leave?

I'm begging you take me  
Wherever you have gone  
Come back and save me  
Don't want to be alone  
Nothing left, I just have  
One last breath

I'm begging you take me  
Out of this firing hell  
Come back and save me  
What happened wasn't fair  
Nothing left all that I have is one last breath  
Only one last breath

Just pain, fake love and drunken lie  
I struggle to survive, I'm still alive  
I'm fighting tears and fears apart  
But still it's dark, inside my heart

ESTONIA

Artist: Elina Born & Stig Rästa      Song: *Goodbye To Yesterday*

I woke up at 6 a.m.

My eyes were closed but my mind was awake  
Pretended I was breathing in a deep sleep pace

Got dressed so quietly

I was frozen by the jingle of my keys at the door  
As I got outside I smiled to the dog

I didn't wanna wake you up

My love was never gonna be enough  
So I took my things and got out of your way now girl

Why didn't you wake me up

I'm pretty sure I would have told you to stop  
Lets try again and say goodbye  
Goodbye to yesterday

Why would you think like that

Yeah we fight a lot but in the end  
You and I we're a perfect match

I wouldn't want it any other way

But now you're gone and I'm all alone  
Lying here naked and staring at the phone

I didn't wanna wake you up

My love was never gonna be enough  
So I took my things and got out of your way now girl

Why didn't you wake me up

I'm pretty sure I would have told you to stop  
Lets try again and say goodbye  
Goodbye to yesterday

(Repeat chorus)

Goodbye to yesterday

(Uh oh) goodbye to yesterday

 **F.Y.R. MACEDONIA**

**Artist:** Daniel Kajmakoski      **Song:** *Autumn Leaves*

Met in the dark of night you were my lucky strike  
Crazy kids without a clue,  
Hanging from our knees up in the willow trees easy  
Like the month of June,  
A fairytale gone right with no ending in sight had  
Me tangled up in blue,  
You said we'd never change but maybe we do  
Baby this is all we ever used to know  
But I can see your colours change to red and gold

Every moment will hurt  
From the last to the first  
And I'm trying find a way to breathe  
Close the book and the chapter forever and after  
I'm falling like the autumn leaves  
My heart is beating like a million drums  
'Cause you're the ground under my feet  
I'm trying to hold on but baby I'm falling free  
Like the autumn leaves  
  
Baby this is all we ever used to know  
But I can see your colours change to red and gold

Every moment will hurt  
From the last to the first  
And I'm trying find a way to breathe  
Close the book and the chapter forever and after  
I'm falling like the autumn leaves  
My heart is beating like a million drums  
'Cause you're the ground under my feet  
I'm trying to hold on but baby I'm falling free  
Like the autumn leaves

SERBIA

**Artist:** Bojana Stamenov      **Song:** *Beauty Never Lies*

In a shadowy world lived a dazzling girl  
Unaware of the light she'd imprisoned inside  
Took a million mistakes to lead her to daybreak,  
But she made it through, now I know the truth!

Beauty never lies, never hides, never gives a damn!  
Beauty never lies, no, it cries "Here I am!"  
Finally I can say , "Yes, I'm different, and it's okay!"  
Here I am!

Had to shatter the fears laughing in the mirror  
Undermining me, now at last I see!

Beauty never lies, never hides, never gives a damn!  
Beauty never lies, no, it cries "Here I am!"  
Finally I can say , "Yes, I'm different, and it's okay!"  
Here I am!

Woahhh-woah  
Woahhh-woah  
Woah woah, woah woah, woah woah

Beneath the veil of skin the heart's entangled in  
Beauty's embodied!  
Beneath the mask of shame, my soul is set aflame!

Woah  
Beauty never lies  
Beauty never lies  
Finally I can say , "Yes, I'm different, and it's okay!"  
Here I am!  
Here I am!

**Artist:** Boggie    **Song:** *Wars For Nothing*

Do you know our earth is a mess  
All the wars for nothing, it never ends  
Everybody deserves a chance  
All the souls, all the souls, can you hear them cry?

That you live in peace does not mean  
It's okey to ignore all the pain  
I see children joining the stars  
Soldiers walk towards the dark, let me ask

Can you justify all the eyes  
That will never see daylight  
Give me one good reason to hurt  
A helpless soul, break a heart, kill a mind

Do you know how many innocents  
Are hiding from punishment  
For crimes they'd never commit  
All alone, all alone, do they deserve

To die for believing something else,  
For having a face someone can't stand  
Do you know our earth is a mess  
All the wars for nothing, it never ends  
All the souls, all alone, hold them tight  
All the souls, deserve a chance at life

Song: *Time*

Tell me where I belong  
I've been trying for so long  
Breaking out through the night  
Made me see the bright light  
Now I'm willing to fight  
And I know that time is on my side

Time is like thunder a-aa  
Hear it like thunder a-aa  
All we've got are somedays and I am  
Trying not to waste  
Time is like thunder a-aa  
Beating like thunder in our heads  
Time is like thunder a-aa, a-aa, a-aa

At the end of your rope  
Keep on hoping against all hope o-oo  
Time is fading away  
So don't you lose a day  
We can do what we say

Time is like thunder  
Time is like thunder  
Time is like thunder  
I know, you know  
I don't want to wait  
Like thunder, like thunder  
I know, you know  
Don't you lose a day

Time is like thunder a-aa  
Hear it like thunder a-aa  
Beating like thunder a-aa, a-aa, a-aa  
Time is like thunder a-aa  
Hear it like thunder a-aa  
All we've got are somedays and I'm  
Trying not to waste

RUSSIA

**Artist:** Polina Gagarina    **Song:** *A Million Voices*

We are the worlds people  
Different yet we're the same  
We believe  
We believe in a dream

Praying for peace and healing  
I hope we can start again  
We believe  
We believe in a dream

So if you ever feel love is fading  
Together like the stars in the sky  
We can sing  
We can shine

When you hear our voices call  
You won't be lonely anymore  
A million voices  
Your heart is like a beating drum  
Burning brighter than the sun  
A million voices

Now as the world is listening  
From cities and satellites  
We believe  
We believe in a dream

If you ever feel love is fading  
Together like the stars in the sky  
We can sing  
We can shine

When you hear our voices call  
You won't be lonely anymore  
A million voices  
Your heart is like a beating drum  
Burning brighter than the sun

When I look around at these faces I can  
See the stars in the sky  
We will sing  
We will shine  
  
Singing out  
Singing out  
Ooh  
Singing out  
Singing out  
Ooh  
Singing out  
A million voices

**Artist:** Anti Social Media    **Song:** *The Way You Are*

Summer's here, winter's gone  
Finally I can see the sun  
Every time you walk in to the room  
All my fears disappear  
When I'm in your atmosphere  
I don't know what it is you do  
But you do  
And I can't explain why

It's the way you are  
It's just the way that you are  
That can make my day  
Bad times go away

It's the way you are  
It's just the way that you are  
That can make my day  
Bad times go away

Like an old radio, a song I just can't let go  
All I got on my mind is you  
Movie stars and caviar couldn't get me  
where you are  
There's nothing I can do  
About it

It's the way you are  
It's just the way that you are  
That can make my day  
Bad times go away

And I'll be right there  
When you need someone to guide you  
Whatever it takes girl  
I will be doing it for you

'Cause I've been acting like a fool  
I wanna take my time  
And spend it all on you  
So girl just come and sweep my feet off the  
Ground, like you do

It's the way you are  
It's just the way that you are  
That can make my day  
Bad times go away hey  
  
It's the way you are  
It's just the way that you are  
That can make my day  
Bad times go away  
  
Because it's all about you  
Because it's all about you girl  
And I'm hanging on to every single word you say  
  
It's the way you are  
It's just the way that you are  
That can make my day  
Bad times go away  
It's the way you are  
Bad times go away  
It's the way you are

I was too afraid right from the start  
To even let you, welcome you in my heart  
You cut it deep and left it bleeding hard  
Will I ever heal these painful scars?

I just can't help it  
I'm out of breath, I try and find the words to say  
Time passes by  
Now its broad daylight

I know you'll come  
With the speed of light  
You're my everything, all that I need  
You shut down my dreams  
But I'm not gonna cry  
You live within me, that's why I'm alive I am alive  
'Cause you are my life,  
You are my sun,  
I am alive, 'cause you are my life

Your name is printed crystal clear on glass  
From all the sighs, coming out of my breath  
I'm blinded by,  
This love can't stop screaming out your name so loud  
Where are you at?  
Baby won't you come back?  
Oooh (baby please come back)  
Baby please come back  
Oooh (baby please come back)

I know you'll come  
With the speed of light  
You're my everything , all that I need.

## Lyrics

Cantec de-ar fi viata mea  
 Vesel, trist, tot l-as canta  
 Nu as rata nicio nota  
 Rau de-ar fi l-as inota  
 Pan' la mare l-as urma Nu m-as opri niciodata  
 Stii ca  
 Viata n-are buton de rewind sa  
 Poti sa intorci ce-ai pierdut  
 Nu poti nisi sa o pui pe pauza  
 Cand nu stii ce-i de facut

Daca maine noaptea n-ar mai avea vreo stea  
 Daca intruna vantul spre mine ar sufla  
 Tu ai fi motivul, tu ai fi motivul sa pot  
 Sa pot s-o iau de la capat  
 Daca maine cerul ar fi prea plin de nori Daca nicio  
 raza nu m-ar atinge-n zori  
 Tu ai fi motivul, tu ai fi motivul sa pot  
 Sa pot s-o iau de la capat

As zbura chiar si-o noapte-ntreaga  
 Spre zorii-n care ai fi tu  
 Ploile n-ar putea sa-nteleaga  
 De ce nu cad cand sunt tot ud

Daca maine noaptea n-ar mai avea vreo stea  
 Daca intruna vantul spre mine ar sufla  
 Tu ai fi motivul, tu ai fi motivul sa pot  
 Sa pot s-o iau de la capat  
 Daca maine cerul ar fi prea plin de nori  
 Daca nicio raza nu m-ar atinge-n zori  
 Tu ai fi motivul, tu ai fi motivul sa pot  
 Sa pot s-o iau de la capat

## Lyrics (translated to English)

If my life was like a song  
 Happy, sad, not right or wrong  
 It would be all in the words there  
 Swim a river's length to be  
 Won't stop till I reach the sea  
 Sooner or later I'll get there  
 I swear  
 Life is not a rehearsal, don't look back  
 You may lose what you dream  
 You can't pause a decision, or change track,  
 When you don't know what you mean

If the stars tomorrow, no longer shine on us,  
 If a strong wind takes me, and I will turn to dust,  
 You will be the reason, you will be the reason to start,  
 To start all over again

If the sky clouds over, with darkness never gone,  
 If the sun stays hidden, not waking in the dawn,  
 You will be the reason, you will be the reason to start,  
 To start all over again

I would run through the night in the darkness  
 You are my sunshine that I seek  
 No one can stop my heart being restless  
 Hear it in the words I speak

If the stars tomorrow, no longer shine on us,  
 If a strong wind takes me, and I will turn to dust,  
 You will be the reason, you will be the reason to start,  
 To start all over again

If the sky clouds over, with darkness never gone,  
 If the sun stays hidden, not waking in the dawn,  
 You will be the reason, you will be the reason to start,  
 To start all over again (Repeat x 5)

Not your fault you're just gonna

**Artist:** Molly Sterling    **Song:** *Playing With Numbers*

Do I owe you something  
I think I do  
They tied our hands  
But I cut through  
In the arms of the potion  
They found our truth  
And I made a girl  
Abandoned youth and  
  
Made the mess in your vision and  
See a debt to be paid  
To give a little love was all that I wanted  
Give a little love was all my intent and I  
Was playing with the numbers and  
I didn't know what it meant

Please don't remind me  
I won't be your muse  
Fragile misguided minds like mine  
Only know how to use  
While I played with white lies and fiction  
Unbeknownst to you  
I played the victim  
Well that was the last time I faced you and  
  
Made the mess in your vision and  
See a debt to be paid  
To give a little love was all that I wanted  
Give a little love was all my intent and I  
Was playing with the numbers and  
I didn't know what it meant

I can watch from afar from my art on my  
Own all along I was lost I was wild this is  
Wrong I can't force this just watch as the surface  
Surrenders it all

Made the mess in your vision and  
See a debt to be paid  
To give a little was all that I wanted  
Give a little love was all my intent and  
I was playing with the numbers and  
I didn't know what it meant

## SAN MARINO

 Artist: Michele Perniola and Anita Simoncini

Song: *Chain Of Lights*

No  
 I don't wanna dream forever  
 Of a time when peace was more than just a simple word  
 I wanna find a better way of living  
 And connect my tears and fears with friends  
 Understanding and forgiving  
 Must give this world a final chance

I can feel life is changin'  
 Times are rearrangin'  
 In so many many ways  
 Let us try to make the world  
 A better place

So light up the candles  
 Let's illuminate the night  
 Just light up the candles  
 Let them shine on deep inside  
 Build a chain of light for you  
 And a chain of light for me  
 And believe that we can change reality

We've only got one life  
 So let's try to make our dreams survive  
 Maybe we'll find out that many people  
 Feel the same - oh yeah  
 One's a lonely number – but together  
 We can make a million candles  
 Shine forever  
 Let us build a chain of hearts  
 In a world that's blue and dark

So light up the candles  
 Let's illuminate the night  
 And together hand in hand  
 We will feel the love inside  
 Build a chain of love for you  
 (Chain of love for you)

And a chain of love for me  
 (Chain of love for me)  
 We will let our vision change reality

If we all light a candle  
 We could build a chain of light  
 If we all walk together  
 We will feel the love inside  
 It's a chain of hearts for you  
 Chain of hearts for you  
 And a chain of hearts for me  
 Chain of hearts for me  
 Let's create a world that's human, fair and bright

If we all light a candle  
 If we all light a candle  
 We'd illuminate the night  
 We'd illuminate the night  
 If we all walk together  
 Yes we should  
 We will feel the love inside  
 It's a chain of light for you  
 Chain of light for you  
 And a chain of light for me  
 Chain of light for me  
 We can build a peaceful world – let's do it right  
 Standing side by side  
 It's a chain of love for you  
 Chain of love for you  
 And a chain of love for me  
 Chain of love for me  
 Let's create a world that's human  
 Fair and bright

## MONTENEGRO

**Artist:** Knez    **Song:** *Adio / Say Goodbye*

### Lyrics

Nebo mi te donijelo  
 Nebo mi te uzelo  
 Još me boli što je boljelo  
 Dani su mi zidovi  
 Noći su mi okovi  
 Još ti služim moja ljubavi  
  
 Još te ne dam maglama sa planina  
 Još te ne dam vodama iz dubina  
 A ti kažeš pusti me, živ mi bio  
 Zaboravu predaj me, sad adio  
  
 Procvjetao ruzmarin, savio se bijeli krin  
 Meni sve na tugu miriše  
 Probam da zaboravim, da na tebe ne mislim  
 Al za tobom srce uzdiše  
  
 Još te ne dam maglama sa planina  
 Još te ne dam vodama iz dubina  
 A ti kažeš pusti me, živ mi bio  
 Zaboravu predaj me, sad adio  
  
 Na,na,naj,na na  
  
 Još te ne dam maglama sa planina  
 Još te ne dam vodama iz dubina  
 A ti kažeš pusti me, živ mi bio  
 Zaboravu predaj me, sad adio

### Lyrics (translated to English)

The sky brought you to me,  
 The sky took you from me,  
 Still hurts me what used to hurt  
 My days are the walls  
 My nights are the shackles (bonds)  
 I'm still serving you, my love  
  
 I still don't give you to the mists of the mountains,  
 I still don't give you to the depths of the water  
 And you ask me to let you go, forever  
 To sink you into oblivion and say goodbye  
  
 Rosemary has blossomed, white lily has bent,  
 Everything smells like sorrow  
 I try to forget, not to think of you,  
 But my heart is still pining for you  
  
 I still don't give you to the mists of the mountains,  
 I still don't give you to the depths of the water  
 And you ask me to let you go, forever  
 To sink you into oblivion and say goodbye  
  
 Ah-ah-ah  
  
 I still don't give you to the mists of the mountains,  
 I still don't give you to the depths of the water  
 And you ask me to let you go, forever  
 To sink you into oblivion and say goodbye

**Artist:** Amber    **Song:** *Warrior*

We suffer, silently  
Always fighting to break free

We were living in a shadow  
We were too scared to let go  
Wouldn't accept defeat  
When by losing we were winning  
We have to be courageous  
To be able to get through this  
And then it hits

Break through the silence  
The noise is louder than it's ever been  
Create something timeless  
Never look back, the past is the past  
I had no choice but to become a warrior  
I had to conquer  
I did not break,  
I left my faith in hope

We are not the enemy,  
We're just tired of suffering

We broke through the shadow  
We finally let go  
And then it hit

Break through the silence  
The noise is louder than it's ever been  
Create something timeless  
Never look back, the past is the past  
I had no choice but to become a warrior  
I had to conquer  
I did not break, I left my faith in hope

I'm a warrior, I will conquer  
I'm a warrior

Artist: Mørland & Debrah Scarlett      Song: *A Monster Like Me*

Honey, I'm telling the truth  
I did something terrible in my early youth  
My mind went blank, I lost control  
I was just a little boy, I did not know

I better let you go  
To find the prince you thought you found in me  
I better set you free and give you up  
Just wave and say goodbye and let you live  
Without a monster like me

Honey, what am I to you  
Now I have pulled the trigger on this awful truth  
Oh hold me now, 'cause I'm burning up  
Sing me something beautiful, just make it stop

I better let you go  
To find the prince you thought you found in me  
I better set you free and give you up  
Just wave and say goodbye and let you live  
Without a monster like me

Just go!  
I better let you go  
To find the prince you thought you found in me  
I better set you free and give you up  
Just wave and say goodbye and let you live  
Without a monster like me  
Uh oh  
Without a monster like me

Song: *Ha Um Mar Que Nos Separa / There Is a Sea That Separates Us*

### Lyrics

São três da manhã  
E a chuva cai  
Nas ruas da cidade  
Bate uma saudade no meu peito

Vejo se me endireito  
Mas falta-me a vontade  
Eu não sou eu  
Se tu não estás

Se é o mar que nos separa  
Vou secá-lo de saudade  
E apertar-te contra o peito  
Beijo feito de vontade

Ainda tenho  
As tuas mãos no meu rosto  
E o gosto a mel  
Da tua boca

Louca foi a noite  
Em que te conheci  
Triste a madrugada  
Em que te perdi

Se é o mar que nos separa  
Vou secá-lo de saudade  
E apertar-te contra o peito  
Beijo feito de vontade

Se é o mar que nos separa  
Vou secá-lo de saudade  
E apertar-te contra o peito  
Beijo feito de vontade

### Lyrics (translated to English)

It's 3 a.m.  
And the rain falls down  
On the city streets  
Something's missing deep inside of me

I try to straighten up  
No will to do it at all  
I'm not myself  
If you're not around

If it's the sea that separates us  
I will dry it with longing  
And press you against my chest  
In a kiss made of yearning

I still have  
Your hands on my face  
And the taste of honey  
Of your mouth

Crazy was the night  
When I met you  
Sad was the dawn  
When I lost you

If it's the sea that separates us  
I will dry it with longing  
And press you against my chest  
In a kiss made of yearning

If it's the sea that separates us  
I will dry it with longing  
And press you against my chest  
In a kiss made of yearning

**Artist:** Marta Jandová & Václav Noid Bárta      **Song:** *Hope Never Dies*

Wait for me don't cross the sea of pain  
Wait for me I'm lost I've gone astray  
Ravens calling my name, their wings so dark  
Soon they'll take me away, I have their mark  
They never miss their prey

There is no light to pray for  
Cold and dim are the skies  
Wounded lying  
Running out of life  
In your eyes I could see  
Our hopes and our future  
Now we must let go

Find me where the night turns into day  
Your love as a torch shows us the way  
How to be whole again

There is no light to pray for  
Cold and dim are the skies  
Wounded lying  
Running out of life  
In your eyes I could see  
Our hopes and our future  
Now we must let go  
Must let go, must let fade away  
Or we can rise and fight

For a light to live for  
Fire in our hearts  
Through our pain  
Through all the lies  
We will walk, walk reborn  
Hope never dies  
Never let me go  
Never let me go

Mama, someone broke my heart again  
 Tell her I don't think I can take it anymore  
 Mama, someone broke my heart again  
 Now I'm gonna ease my pain,  
 Dancing on the floor

Take me out,  
 I'm not in the mood for a broken heart  
 Gonna dance tonight, forget her  
 No, she doesn't know  
 What I'm doing on the floor  
 Did you say hello, my ladies?

Pull me baby, I'm your trigger  
 You know that my love is bigger  
 Love, Love, Love  
 Let the rhythm take us higher  
 You know when I'm on fire  
 Check me out (3-2-1- hey!)

I'm a golden boy  
 Come here to enjoy  
 I'm the king of fun  
 Let me show you how we do it  
 I'm a golden boy  
 Come here to enjoy  
 And before I leave  
 Let me show you Tel Aviv

Hold me tight,  
 We're not going home tonight  
 Oh yeah, do you like my dancing?  
 Pull me baby, I'm your trigger  
 You know that my love is bigger  
 Check me out (3-2-1- hey!)

I'm a golden boy  
 Come here to enjoy  
 I'm the king of fun  
 Let me show you how we do it  
 I'm a golden boy  
 Come here to enjoy  
 And before I leave  
 Let me show you Tel Aviv

This is how we do it  
 This is how we do it

Mama, someone broke my heart again  
 Tell her I don't think I can take it anymore  
 Mama, someone broke my heart again  
 Now I'm gonna ease my pain,  
 Dancing on the floor

I'm a golden boy  
 Come here to enjoy  
 I'm the king of fun  
 Let me show you how we do it  
 I'm a golden boy

**Artist:** Aminata    **Song:** *Love Injected*

You bring  
The light  
To  
My darkest side, babe

The day  
The night  
Split  
To cure the sight, oh

You care  
You animate  
You guard me bare  
Bring up the heart rate

Your love  
Revives my soul  
And I know  
You'll choose it whole overall  
Your eye's a good mirror  
Look under the cover  
Love is above all

I'm safe  
Into your hands.  
Let's move away  
The edges expand

Show me the source of the light  
I'm becoming affected  
Seeing the glow of a white  
Is what I have detected

Feeling again I'm alive  
It's your shining reflected  
Love injected, love injected  
  
Your love  
Revives my soul  
And I know  
You'll choose it whole overall

**Artist:** Elnur Huseynov    **Song:** *Hour Of The Wolf*

I hold my breath, I'm on the edge  
Storming hills, I've been lost and found  
I hope they're coming, I can hear them running

I once met peace, he said that he  
Soon would have the answers to this hurt  
And my mind was made up, I would never give up

No I won't sleep tonight  
If tomorrow comes I'll lose my mind  
I won't give up my right, I know every heart deserves  
a fight

I will beat on the drum, rise above with me  
I will go till I'm numb, rise above with me  
No I won't sleep tonight

They whine and roar, hungry for more  
Yellow glowing eyes, I'm hypnotised  
I feel brave yet scared, but I'll stay prepared

Oh have my soul, it's destined  
It's written in the sky  
Let me not be blinded by this hurt  
Set him loose I'm ready  
For the stars to guide me

No I won't sleep tonight  
If tomorrow comes I'll lose my mind

No I won't sleep tonight  
If tomorrow comes I'll lose my mind  
I won't give up my right, I know every heart deserves  
a fight

I will beat on the drum, rise above with me I will go till  
I'm numb, rise above with me  
No I won't sleep tonight

No I won't sleep tonight

**Song:** *Unbroken*

One step at a time  
 Out of the darkness  
 One foot in front of the other

One step at a time  
 Into the distance  
 A new path I need to uncover

I'm letting go  
 Go

One step at a time  
 Get out of the darkness  
 And into the light forever  
 One step at a time  
 I pick up the pieces  
 Try putting them back together  
 Till I'm unbroken  
 Unbroken  
 One step at a time  
 Get out of the darkness  
 And into the light forever

One step at a time  
 And I got a feeling  
 It's either now or never

I'm letting go  
 Go

One step at a time  
 Get out of the darkness  
 And into the light forever  
 One step at a time  
 I pick up the pieces  
 Try putting them back together  
 Till I'm unbroken  
 Unbroken

One step at a time  
 get out of the darkness  
 And into the light forever

I'm letting go  
 Go

One step at a time  
 Get out of the darkness  
 And into the light forever  
 One step at a time  
 I pick up the pieces  
 Try putting them back together  
 Till I'm unbroken  
 Unbroken

Don't tell the gods I left a mess  
I can't undo what has been done  
Let's run for cover  
What if I'm the only hero left  
You better fire off your gun  
Once and forever  
He said go dry your eyes  
And live your life like there is no tomorrow, son  
And tell the others  
To go sing it like a hummingbird  
The greatest anthem ever heard:  
  
We are the heroes of our time  
But we're dancing with the demons in our minds  
  
We are the heroes of our time  
Hero-uh-o-o-oes, o-uh-o-o-oh  
But we're dancing with the demons in our minds  
Hero-uh-o-o-oes, o-uh-o-o-oh

(Repeat chorus)  
  
The crickets sing a song for you  
Don't say a word, don't make a sound  
It's life's creation  
I make worms turn into butterflies  
Wake up and turn this world around  
In appreciation  
He said I never left your side  
When you were lost I followed right behind  
Was your foundation  
Now go sing it like a hummingbird  
The greatest anthem ever heard  
Now sing together  
  
We are the heroes of our time  
Hero-uh-o-o-oes, o-uh-o-o-oh  
But we're dancing with the demons in our minds  
Hero-uh-o-o-oes, o-uh-o-o-oh

We keep dancing with the demons  
You could be a hero  
  
Now go sing it like a hummingbird

Artist: Mélanie René      Song: *Time To Shine*

I've been walking in the darkness  
Always hiding for my true self  
Afraid of letting go, of deception in their eyes  
A wounded ego, not afraid to start a fight

I've been walking on a lonely road  
So many stories I have once been told  
No matter what they say I will follow my heart  
I think it's time for me to stand up and hold my ground  
  
'Cause I'm living my dreams, I've never been so alive  
The sky's the limit now that I know I can fly  
No more pulling me down, no more mucking around  
I'm growing up, and it's my time to shine

It doesn't matter if I'm wrong or right  
I'm getting stronger everytime I try  
I've learnt to let it go, taking one step at a time  
I've mend my ego, and now it's time for me to let  
it shine

'Cause I'm living my dreams, I've never been so alive  
The sky's the limit now that I know I can fly  
No more pulling me down, no more mucking around  
I'm growing up, and it's my time to shine

Yeah, it's my time to shine  
It's my time to shine

I've been walking in the darkness  
Always fighting for my true self  
I've learnt to let it go (I've learnt to let it go)  
I've learnt to let it go (I've learnt to let it go)  
I've learnt to let it go  
Now it's my time to shine

'Cause I'm living my dreams, I've never been so alive

CYPRUS

**Artist:** John Karayiannis      **Song:** *One Thing I Should Have Done*

Tonight the rain is falling  
I'm feeling cold, and I'm  
Out of my mind, without you  
My head is spinning like a top  
Back to the time we had a lot going on  
Now my world lies shattered  
How quickly life can change

I always did everything for you  
I gave you my heart, you gave me yours too  
You'd make me feel I was really someone  
But there's one thing I should have done

One day you think you have it all  
The next you're staring at the wall in a dream  
The road that once was paved with gold  
Has turned a rusty shade  
Of all the saddest colours in the world  
Now my life's in tatters  
How quickly it all can change

I always did everything for you  
I gave you my heart, you gave me yours too  
You'd make me feel I was really someone  
But there's one thing I should have done

I should have been there for you  
I should have been there for you  
I should have been there for you  
I should have been there

I didn't do everything for you  
But I tried so hard and that's the truth  
I'd make you feel you were really someone  
But there's one thing I should have done

I nearly did everything for you  
But I broke your heart, now mine's broken too  
In your hour of need, I didn't come  
That's the one thing I should have done

You came into my life when I was broken  
 You heated up my heart when it was frozen  
 And we got the flow  
 Now it's up we go

And now that it's your turn you wanna hide it  
 A million times already you've denied it  
 You don't have to fear  
 You don't have to fight

When you're down down low  
 Sinking in the undertow  
 When you're down down low  
 You know that I am here for you  
 'Cause I know know baby  
 All the hurt you never show  
 When you're down down low  
 You gotta let me heal your aching soul

You came into my life when I was broken  
 You heated up my heart when it was frozen  
 And we got the flow  
 Now it's up we go

'Cause you released my pain now let me take it  
 Just leave it at the door and we can make it  
 You don't have to hide  
 I am by your side

Everybody else sees in black and white  
 You look at wrong and make it right  
 Can't I open your eyes

When you're down down low  
 Sinking in the undertow  
 When you're down down low  
 You know that I am here for you  
 'Cause I know know baby  
 All the hurt you never show  
 When you're down down low

**Artist:** Monika Kuszyńska    **Song:** *In The Name Of Love*

Every time you're broken-hearted  
Sinking in the sorrow  
Feel the emptiness and have no faith  
No strength to breathe

I wanna tell you  
It's gonna be better  
You've got the greatness within you

Beyond the fear  
Let's build the bridge  
From heart to heart  
In the name of love

Every time you struggle with the fear  
about tomorrow  
Call the angels for their guidance  
Find the other way

I wanna tell you  
It's gonna be better  
You've got the greatness within you

Beyond the fear  
Let's build the bridge  
From heart to heart  
In the name of love

Beyond the fear  
Let's build the bridge  
From heart to heart  
In the name of love  
In the name of love  
In the name of love

They say we only live for fun  
Ooh! They may be right but only maybe  
I can guarantee what we got is what they want

Do whatchya whatchya whatchya want  
Do whatchya whatchya whatchya want  
Do whatchya whatchya whatchya want  
Oh get on it  
Ooh get on it

I don't want tomorrow  
Oh baby tonight's so good  
Tonight's so good  
This is one tough act to follow  
Oh baby tonight's so good  
Forget tomorrow  
We can do tonight again

Oh-oh-oh-ohh  
We can do tonight again  
Oh-oh-oh-ohh  
Oh we can do tonight again  
Oh-oh-oh-ohh  
Oh we can do tonight again  
Oh-oh-oh-ohh

Do whatchya whatchya whatchya want  
Do whatchya whatchya whatchya want  
Do whatchya whatchya whatchya want  
Oh get on it  
Ooh get on it  
(Repeat chorus x 2)

Oh-oh-oh-ohh  
Yeah we can do tonight again  
Oh-oh-oh-ohh  
Forget tomorrow  
We can do tonight again

Artist: The Makemakes      Song: *I Am Yours*

Anytime that you're thinking of me

That you might want me

I'll come on over

Don't you know

Anytime, anyplace I am yours

You're a lesson that I love learning

So any time that you've got a yearning

Don't you know

Anytime, anyplace I am yours

You're what I belong to

The one thing that feels true

Everything I could ever want

If you ever need me

I'm waiting on you

To walk right through that door

Anytime, anyplace I am yours

If you're hoping for second chances of

Stolen kisses I got the answer

Don't you know

Anytime, anyplace I am yours

You're what I belong to

The one thing that feels true

Everything I could ever want

If you ever need me

I'm waiting on you

To walk right through that door

Anytime, anyplace I am yours

Oohh

You're what I belong to

The one thing that feels true

Everything I could ever want

If you ever need me

I'm waiting on you

To walk right through that door

Anytime, anyplace I am yours

Anytime, anyplace I am yours

## Lyrics

Il ne me reste que des larmes  
 Ces quelques notes venues d'autrefois  
 Et le chant de nos prières  
 Nos cœurs qui espèrent  
 Et le vide sous mes pas

Il ne me reste que les cendres  
 De mon village plongé dans le silence  
 Je ne suis qu'une blessure  
 Un cœur sans armure  
 Comment survivre après ça

Mais je suis là, je n'oublie pas  
 Dans mon village balayé par l'histoire  
 Et je vis là, n'oubliez pas  
 Effacé des cartes et des mémoires

Je me souviens du rire des enfants  
 La voix des hommes quand ils partaient au champ  
 Les fêtes des moissons  
 L'odeur dans les maisons  
 Les éclats d'amour et de joie

Mais je suis là, n'oubliez pas  
 Effacé des cartes et des mémoires

Quand ils sont arrivés  
 Cachés derrière leurs armes Ils étaient des milliers  
 Ils riaient de nos larmes

Ils ont voulu détruire  
 Nos croyances et nos âmes  
 Avec des mots de haine  
 Que l'on n'connaissait pas

Je suis ici ce soir  
 Au milieu de ces ruines  
 Pour vous parler d'espoir  
 Et vous chanter la vie  
 Et je fais le serment  
 Quand séchera le sang  
 De reconstruire ma ville  
 Bien plus belle qu'avant  
 Mais n'oubliez pas

## Lyrics (translated to English)

All that remains to me are tears  
 These few notes that come from long ago  
 And the song of our prayers  
 Our hearts that hope  
 And the emptiness under my steps

All that remains to me are ashes  
 Of my village plunged into silence  
 I am but a wound  
 A heart without an armor  
 How do I survive after this

But I am here, I don't forget  
 In my village swept away by history  
 And I live here, don't you forget  
 Erased from maps and memories

I remember the laughter of children  
 The voices of men when they left for the field  
 The harvest festivals  
 The smell in the houses  
 The bursts of love and joy

But I am here, I don't forget  
 In my village swept away by history

When they arrived  
 Hidden behind their weapons  
 They were thousands  
 They laughed at our tears

They wished to destroy  
 Our beliefs and our souls  
 With words of hatred  
 That we did not know

I am here tonight  
 In the middle of these ruins  
 To talk to you about hope  
 And to sing life  
 And I swear  
 When the blood will dry  
 That I will rebuild my city  
 More beautiful than before

But don't forget

**Artist:** Ann Sophie    **Song:** *Black Smoke*

When you look at me, you know your hard to read  
 Because the face I see is not the one I know  
 And when you call me baby, what's that supposed to mean  
 I dont know who you are, how long can we pretend  
 See the change I know we both don't have the heart to say  
 Can't return to what we were, it will never be the same

'Cause you said you'd never let me go  
 And I said I can't but now we know that it's  
 Too hard to say three words  
 Too hard to make it work  
 When theres nothing left to talk about  
 'Cause you know the flame is running out  
 Two hearts are left to burn  
 Do you know, we're only left with smoke  
 Black smoke, we're only left with smoke,  
 Black smoke

I tried to tell myself, that its all in my head  
 But the truth remains were just too far apart  
 You know were fooling ourselves if we hold on,  
 'Cause were fighting for something that we don't want  
 Just leave it now and walk away  
 See the change I know we both don't have the heart to say  
 Can't return to what we were, it will never be the same

'Cause you said you'd never let me go  
 And I said I can't but now we know that  
 It's too hard to say three words  
 Too hard to make it work  
 When theres nothing left to talk about  
 'Cause you know the flame is running out  
 Two hearts are left to burn  
 Do you know, we're only left with smoke  
 Too hard to say three words  
 Black smoke  
 Too hard to make it work  
 We're only left with smoke  
 Too hard to say three words  
 Black smoke  
 Too hard to make it work  
 'Cause you said you'd never let me go, no  
 Yeah you said you'd never let me go  
 Yeah  
 'Cause you said you'd never let me go  
 And I said I can't but now we know that it's  
 Too hard to say three words  
 Too hard to make it work  
 When there's nothing left to talk about  
 'Cause you know the flame is running out  
 Two hearts are left to burn  
 Do you know, we're only left with smoke  
 Black smoke  
 We're only left with smoke

Artist: Il Volo    Song: *Grande Amore / Great Love*

## Lyrics

Chiudo gli occhi e penso a lei  
Il profumo dolce della pelle sua  
E' una voce dentro che mi sta portando dove nasce  
il sole  
Sole sono le parole  
Ma se vanno scritte tutto può cambiare  
Senza più timore te lo voglio urlare questo  
grande amore  
Amore, solo amore è quello che sento  
Dimmi perché quando penso, penso solo a te Dimmi  
perché quando vedo, vedo solo te  
Dimmi perché quando credo, credo solo in te grande  
amore  
Dimmi che mai  
Che non mi lascerai mai  
Dimmi chi sei  
Respiro dei giorni miei d'amore  
Dimmi che sai  
Che solo me sceglierai Ora lo sai  
Tu sei il mio unico grande amore  
Dimmi perché quando penso, penso solo a te Dimmi  
perché quando amo, amo solo te  
Dimmi perché quando vivo, vivo solo in te  
grande amore  
Dimmi che mai  
Che non mi lascerai mai  
Dimmi chi sei  
Respiro dei giorni miei d'amore Dimmi che sai  
Che non mi sbaglierei mai Dimmi che sei  
Che sei il mio unico grande amore

## Lyrics (translated to English)

I close my eyes and think of her  
The sweet scent of her skin  
It's a voice within that is bringing me where the  
sun arises  
Lonely are the words  
But if they go written everything can change  
With no fear anymore I want to scream this  
Great love  
Love, just love, it's what I feel  
Tell me why when I think, I only think of you  
Tell me why when I see, I only see you  
Tell me why when I believe, I believe in you  
Great love  
Tell me that never  
That you'll never leave me  
Tell me who you are  
Breath of the love, days of mine  
Tell me that you know  
That you'll only choose me  
Now you know it  
You're my unique great love  
Tell me why when I think, I only think of you  
Tell me why when I love, I only love you  
Tell me why when I live, I live inside you  
Great love  
Tell me that never  
That you'll never leave me  
Tell me who you are  
Breath of the love, days of mine  
Tell me that you know  
That I would never make a mistake  
Tell me that you are  
You're my unique great love

## Lyrics

Se fue sin saber  
 Que yo sí lo amé  
 Se fue sin creer en mí  
 Perdí la razón  
 Sangré tanto amor  
 Que aún, hoy siento el vacío Me lleva contigo  
 EEEieEEO  
 EEEieEEO  
 Mi corazón  
 Me susurró  
 A mí no vuelvas sin su amor  
 Camino al ayer  
 Allá donde esté  
 Hoy reto al olvido  
 Se fue sin saber  
 Que yo no me rindo  
 EEEieEEO  
 EEEieEEO  
 Mi corazón  
 Me susurró  
 A mí no vuelvas sin su amor  
 EEEieEEO  
 EEEieEEO  
 Devuélveme  
 El alma en pie  
 Devuélveme el amanecer  
 Hoy vuelves conmigo

## Lyrics (translated to English)

He left without knowing  
 That I did love him  
 He left without believing me  
 I lost my mind  
 I bled so much love  
 Now a vast emptiness lives in me  
 It all brings me back to you  
 Eee-ie-ooo  
 Eee-ie-ooo  
 My heart  
 Whispered to me  
 Don't you come back without him  
 On my way to yesterday  
 Wherever he may be  
 I challenge oblivion  
 He left without knowing I never surrender  
 Eee-ie-ooo  
 Eee-ie-ooo  
 My heart  
 Whispered to me  
 Don't you come back without him  
 Eee-ie-ooo  
 Eee-ie-ooo  
 It whispered  
 Breathe my soul back into me  
 Bring me back to  
 The break of day  
 You're coming back with me

**Artist:** Electro Velvet    **Song:** *Still In Love With You*

Well, don't get on the wrong train

Don't fly in an old plane

Don't go out in the pouring rain

You might get wet I'd be upset

You're bound to get sneezes

Or nasty diseases

Take good care when I'm not there

I'm still in love with you

While I'm on vacation

You be a good patient

Take your medication

I worry so each time I go

Try to keep warm, dear

In case there's a storm, dear

Take good care while I'm not there

I'm still in love with you

Some younger guys with roving eyes may tantalise  
you with their lies

You must be wise and realise, leave well alone till you  
get home, dear

Won't see other fellas

Don't wanna make you jealous

No need to fear when you're not here,  
I'm still in love with you

Let's dance, dance

Dance

Don't walk on the red light

Don't stay out at midnight

Don't get in a fist fight,

That pretty face can't be replaced

Won't be out at night, hon

It wouldn't be right hon

No need to fear when you're not here

I'm still in love with you

(Oh yes?)

Everybody dance

Everybody dance

Everybody dance

Everybody dance

Everybody dance

(Skat)

Sounding good, sugar

(Skat)

You take care now, honey

(Skat)

Don't make a fuss, you need to trust me

This is how it always must be

When I stop to think of us, I can assure you,

I adore you

Because you're so gorgeous

You need to be cautious

Take good care when I'm not there,

I'm still in love with you

You have a fun time,

And soak up that sunshine

But don't drink too much wine,

Just one or two will have to do

I know what you're thinking

So I won't be drinking

No need to fear when you're not here,

I'm still in love with you

I'm still in love with you

I'm still in love with you
